

His Needs

[do-do-do-results]

1 Respect

Self-esteem usually begins at home. Behind every man should be an admiring wife.

2 Recreational Buddy

Spending recreational time with his wife is second only to sex. The couple that play together stay together.

3 Attractive Spouse

If you don't look good, he won't look very much. Why the fuss? Men are visual.

4 Domestic Support

Man's fantasy. Wife greets him at the door – lovingly, dinner ready, no controversy, children go to bed with no hassle, and go for a nice walk.

5 Sexual Fulfillment

Affection is the environment of marriage, sex is the special event

Her Needs

[Connected Nest]

1 Affection [10 times]

It symbolizes security, protection, comfort, approval

2 Conversation [River]

Conversation that satisfies the woman on the events of the day, the people – How she **FEELS** about them.

3 Honesty

The best insurance policy is honesty. Mistrust destroys her sense of security.

4 Financial Support

Married woman resent having to work. They need to spend 'their' money on what they want.

5 Family Commitment

Parenting [father] takes time – lots and lots of time. The best husband is a good father. [grand – father]ujm
