

F.R.C. Mission Statement

To provide for the well being, spiritual and physical needs of our community. To deliver leadership and spiritual comfort to Law Enforcement, Firefighter, Emergency Management and Public Service Agencies.

To place Chaplains for any of the above upon request providing training, counseling and Critical Incident Stress Management Services.

To meet needs wherever we find them and to serve in whatever capacity within the confines of our training and ability.

We are a Christian Chaplain Organization and will provide a doctrinal statement upon request.

Who & What are we?

ELITE CHAPLAINS

A first responder is police, fire, ambulance, EMS and **trained chaplains** reacting to emergency critical incidences.

The incident can be any natural disaster, major fire, serious vehicle accident, plane crash, terrorism, etc.

The First Responder Chaplain is highly trained to deliver comfort & assistance to first responder personnel and their families as well as victims and their loved ones. We also deliver **traditional chaplain services to the community at large.**

A first responder is police, fire, ambulance, EMS
